

Permanent and interim opportunities

Bulletin No. 50

24 April 2007

Permanent role

North West London

Managing Director

***Fortunegate Community
Housing***

£75k + benefits

Fortunegate was formed in 1998, when it took over 2,000 homes from Brent Council. Today, as part of Catalyst Housing Group, it is working to regenerate the area through building new homes, refurbishing substandard homes, and delivering employment, training and community development projects.

Catalyst is one of the UK's leading housing association groups, managing more than 17,000 homes in West London and the Thames Valley. We employ more than 400 staff with a programme to develop some 2,000 new homes across a range of tenures.

It is an exciting time to join the Group, which has ambitious growth and improvement plans. As Managing Director of FCH, you will be the public face of the Group in Brent, leading a community-based housing association with around 2,000 homes and a range of innovative community projects.

You will develop the organisation's strengths, working to make a difference to the quality of peoples' lives. As well as providing high quality management, you'll face the challenges of regenerating the area through building new homes, refurbishing substandard homes, and delivering employment, training and community development projects.

If you can command the confidence of residents and Board, and can work with the other Directors to further the Group's goals, ***we want to talk to you!***
