## Speaker biography

Einstein Ntim

### **Einstein Ntim, Managing Partner, Africa Future Fund and CEO of Global Startup Ecosystem**

Einstein Ntim aims to bridge the tech divide amongst emerging communities. As Managing Partner at the Africa Future Fund, he invests in initiatives across the African Continent and Global Diaspora that leverage advanced technologies to leapfrog Africa's future acceleration.

He is the CEO of the [GlobalStartupEcosystem.com](http://GlobalStartupEcosystem.com) (GSE)-the first and largest online accelerator globally, and founder of the largest tech summit series in emerging markets such as AI, Blockchain, & Space Tech Summit, Ghana Tech, Haiti; Africa Future Summit, and the largest tech tour in African history. Einstein speaks on topics covering exponential technologies, emerging markets, entrepreneurship, and mental health.
