Welcome

I am very pleased that you are taking a look at these opportunities to join our Board.

This is a critical moment for us as an organisation as we work through a number of challenges that face us, and we are seeking the expertise of a Chair and several new Board members to help steer the organisation to a place of resilience and stability. We provide sustainable homes with an enhanced housing management service, providing over 500 safe places to live for vulnerable people, and we know that we make an incredible difference to the lives of those we support who often struggle to find suitable accommodation elsewhere. All of our stock is lease-based, and owned by investment funds.

These recruitments reflect a complete refresh of the Pivotal Housing Association Board and so our new Board colleagues will be in a position to have a tremendous impact on the business from the offset. We are working on a revised business plan 2024-29 which seeks to lay out a programmed approach to help us work through and monitor the issues identified in how we work by the Regulator of Social Housing, and deliver the staged undertaking agreed with the regulator. So the new Board will be able to make use of the revised strategy as it considers options and strengthens our operational and strategic rigour.

For these roles we seek:

- A Chair, with good governance insight and senior experience in the housing sector, and either an understanding of the lease-based model we operate under or alternatively strong commercial experience. You will be effective at chairing meetings, able to lead and inspire a high-performing team and comfortable with being a champion for the organisation, as well as having solid financial acumen and an understanding of audit and risk; and
- Board members who are a team-players, who can make a rounded contribution to our debates and decision-making; bringing creativity and innovation, with a particular specialism to offer in one or more of the following areas of social housing:
 - Property/ asset management
 - Finance/audit and risk
 - Supported Housing/ homelessness / sheltered housing/ extra care provision
 - Governance

Experience of the lease-based model, and of commercial group company structures would be an advantage for Board members, but not essential.

Please read through the pack to understand more about our group structure and how we operate. If you are dedicated and passionate about supporting the lives of vulnerable people in the South West, are keen to take on a rewarding challenge and feel like you bring the right experience then we'd love to hear from you.

Warm regards,

Joy Kingsbury | Chief Executive, Pivotal Group
