Welcome to Peaks & Plains Housing Trust

Thank you for your interest in becoming a Board member at Peaks & Plains Housing Trust. We feel very close to the communities we serve. Our recent Regulatory Judgement (see p5) demonstrates how strong governance, transparency, and a resident-focused approach sit at the heart of everything we do. We are very proud of this result, but we recognise that there is always more to do. If you are appointed to our Board, you could play a real part in shaping our future as we continue our work to improve.

Jane McCall

Jane McCall | Chair of the Board

I joined the Board in December 2025 and will succeed Jane as Chair in May 2026. I strongly believe that diverse, representative governance is not a 'nice to have', but essential to the success of housing associations that are rooted in their communities. Boards are at their best when they reflect the people and places they serve, bring together different lived experiences, and create space for constructive challenge and fresh thinking. That is the kind of inclusive leadership I am committed to as Chair.

I am really looking forward to working with fellow Board members, the Executive Team, colleagues across the organisation and, most importantly, our residents, to build on the strong foundations already in place and continue the success of Peaks & Plains. If you are enthusiastic, values-driven and motivated by the opportunity to make a genuine difference, I would encourage you to consider joining our Board and helping Peaks & Plains deliver its ambitions for the communities we serve.

Steve Hughes

Steve Hughes | Chair Designate

I am delighted that you are considering joining Peaks & Plains Housing Trust as a Board member. We are excited to be recruiting for four new Board members as some colleagues reach the end of their tenure with us, and at a time when we are ready to build from a strong foundation and make further improvements. We are now around halfway into delivering on our Corporate Plan 2023-2028. Like all housing organisations we face many challenges, but we think we have a positive future ahead. In this recruitment we are particularly looking for individuals with skills in the following areas:

- Organisational development/Human resources
- Housing management with customer focus/ regulation and governance
- Treasury management/Business finance
- Strategic Asset Management

We want one of these individuals to also take on the role of Chair of our Governance Committee, and we include a role profile for the Committee Chair post in the pack. As well as being Board members, the other members will have a place on either the Governance Committee or Audit Committee. Thank you for your interest and we very much look forward to receiving your application.

Our purpose: Working together to provide safe homes and thriving communities.

Our priorities

- Be a great landlord
- Be a resilient organisation
- Create great places to live

Values

The Trust's long-term strategy and everyday operations are underpinned by our values, which have been reviewed and revised in consultation with staff; these values guide the culture at the Trust.

- **We are one team with one goal.** We are open and honest with each other so that we can work together to make things better for our customers and the Trust. We do not work in silos.
- **We are solution focused.** We come up with ideas and find answers and efficiencies wherever we can. When we mess up, we say sorry, learn from it, fix it and crack on. We act and keep things moving.
- **We are customer focused but business minded.** We take pride in our homes and our work and we give our customers the service and value for money we'd expect ourselves. We always try to do more with less.
- **We are reliable and do the right thing.** Even when no-one is looking and we speak up if something doesn't feel right – even when that means a tricky conversation. We don't leave loose ends or unfinished work for someone else to sort out.
- **We are respectful and celebrate our differences.** We are fair and we respect our differences so that we all thrive and feel at home – at work.
