Welcome to PCHA

Thank you for your interest in becoming the new Director of Operations/ Deputy Chief Executive at PCHA (Penge Churches HA). This is a fantastic opportunity for an ambitious, passionate senior housing professional to join our team and make a real difference to our residents and staff in an organisation that is always looking to challenge itself to do more, and better, for those we serve. Our residents are at the heart of our business and we aim to make a positive impact in all we do; we punch above our weight and want an Operations Director/Deputy Chief Exec who can do the same.

We are a small, community-based housing association with a strong sense of purpose, clear values, a supportive Board, and an ambitious outlook for the future. While we remain a relatively compact organisation, we have high standards which we are proud to be stringent about upholding and constantly challenge ourselves to be better. We have a track record of growth that reflects our ability to deliver on our ambition, and we are not afraid of taking on new opportunities where they align with our vision and values. In recent years, this has included bringing Bexley Community Housing Association into our organisation, and the expansion of our housing management work through a long-term contract with Bromley Council. We are proud to be an organisation that is value driven, financially sound, operationally ambitious and light of foot. PCHA is not a place for standing still. It is a place for those who want to make a real difference in an organisation that is constantly growing and evolving.

This role offers the chance to join PCHA at an exciting and important moment. We are looking for a leader who can combine strategic insight with strong operational confidence, someone who is comfortable shaping direction, supporting and leading a capable team, and stepping into the detail as needed. In a small organisation like ours, leadership means being hands-on, adaptable, and ready to respond to both day-to-day realities as well as retaining a focus on long-term priorities and strategy. Relationship building and excellent communication skills are critical. For the right person, this is an opportunity to play a central role in the next phase of PCHA's development, helping us to strengthen the organisation, support our people, and contribute to the executive team with real scope and impact.

As Operations Director/Deputy Chief Executive, you will bring a blend of strategic and operational leadership qualities and the ability to help us in driving the growth and ambition of our organisation while not losing sight of our current residents and homes. If you share our ambition and values, bring passion for making a positive impact on our community, and are excited by the prospect of a leadership role in which you'll find yourself needing to pivot quickly from being across operational detail to long term strategic thinking, then this role might be a great fit.

If after reading this pack you'd like to know more, please do speak to Campbell Tickell, who are supporting us with recruitment to this critical appointment.

Best wishes,

Karen

Chief Executive, PCHA

About us

PCHA (Penge Churches Housing Association) is a highly ambitious, locally focused housing association with deep roots in the community. Founded in 1969 by a group of local churches, the organisation was created in response to increasing concern about housing conditions and a shortage of affordable homes in Penge and the surrounding area.

Today, PCHA's core purpose remains the provision of high-quality homes and holistic and responsive housing services that meet the varied needs of local people. This includes supporting residents with mental health challenges and learning disabilities, ensuring that housing services are accessible and inclusive.

Everything we do is guided by a commitment to improving residents' lives and strengthening our communities. We work closely with our residents and partners to create sustainable tenancies, foster thriving neighbourhoods, and deliver a positive impact for the people and communities we serve every day.

Geography and scale

Following more than five decades serving the London Borough of Bromley, PCHA expanded its reach in 2023 through the successful transfer of engagements from Bexley Community Housing Association (BECHA). Our commitment to growth increased the organisation's housing portfolio to c.410 homes located across Bromley, Bexley and Lewisham. These include a mix of housing types and sizes across these boroughs, including a small number of supported housing units.

In July 2024, PCHA expanded further, taking on a 10- year management agreement with the London Borough of Bromley to provide housing management services for c. 250 units of the Council's housing stock, including temporary accommodation.
